Polavaram Irrigation Project Right Main Canal – Permission to provide Wireless Communication System to field staff at Inlet Arrangements of Polavaram Irrigation Project Right Main Canal- Permission-Accorded-Orders-Issued

---

WATER RESOURCES (PROJECTS.I A2) DEPARTMENT

G.O.MS.No. 112 **Dated: 23-11-2016**

Read the following:

From the ENC,PIP, Dowlaiswaram Lr No.ENC/PIP/DCE/OT.1/AE/17/RMC Dated: 26-09-2015 and 14-07-2016.

***

ORDER:

In the reference read above, the Engineer-in-Chief, Polavaram Irrigation Project, Dowlaiswaram has submitted that Polavaram Irrigation Project Right Main Canal is intended to supply irrigation facilities to an extent of 2.58 Lakh acres in West Godavari District and 0.62 Lakh acres in Krishna District besides diversion of 80 TMC of water to Krishna River to stabilize the existing Krishna Delta ayacut. The Hon'ble Chief Minister during the review meetings instructed to complete the Right Main Canal works so as to push the water in the canal to join river Krishna from Pattisam Lift Scheme located at KM 36.200 of Akhanda Godavari Right Bank. The Hon'ble Minister for Water Resources Department have given instructions during the video conference held on 04-09-2015 to provide necessary Wireless Communication System to the field staff for effective operation of Inlet arrangements of the canal.

2. In the light of above and in view of urgency to provide VHF Wireless communication system on Polavaram Irrigation Project Right Main Canal for field staff, quotations have been obtained from the agencies and the lowest rate quoted by the agency M/s Linkwell Electronics Pvt., Ltd., Secunderabad have been accepted by the Superintending Engineer and work order was issued to install the VHF Wireless Communication system on rental basis for 5 months instead of 3 months as proposed previously. The Superintending Engineer, Polavaram Irrigation Project Right Main Canal Circle, Eluru has, therefore, requested to obtain necessary approval for providing VHF Wireless Communication System on Polavaram Irrigation Project Right Main Canal for **Rs.40.00 Lakhs** and also obtain ratification orders from the competent authority for having entrusted the work of providing VHF Wireless Communication system on Polavaram Irrigation Project Right Main Canal for field staff for effective monitoring and water regulation in the canal pending approval from the Government.

3. Government after careful examination, hereby accord administrative sanction for an amount of Rs. 40.00 Lakhs (Rupees forty lakhs only) for providing the wireless communication system on Polavaram Irrigation Project Right Main Canal for field staff on rental basis for five months.

4. The expenditure is chargeable to "DA 4700- Capital Outlay in Major Irrigation – 01 Major Irrigation - Commercial – MH 120 Polavaram Barrage – GH (12) – Central assistance to State Development Plan – SH (27) – Canal and Distributaries – 530 – Major Works – 531 Other Expenditure".

5. The Engineer-in-Chief, PIP, Dowlaiswaram is requested to take necessary action in the matter and call for tenders accordingly.

6. This order issues with the concurrence of Finance (FMU-WR II) Department vide their U.O.No.48022/414/FMU-WR/2016, dated 21.10.2016.
